HOW TO BECOME A CHRISTIAN

Jesus Christ, the Son of God, died for us and rose from the dead, making salvation available as a gift (John 3:16; Romans 6:23). In order to benefit from this great sacrificial love, one must receive God's grace through faith in Christ and obedience to him (Romans 5:1-2; Hebrews 5:9). To become a Christian, the Bible teaches that we must believe in and put our trust in Christ (John 8:24), turn away from a life of sin (Luke 13:3), confess Jesus as Lord (Romans 10:9-10), and be baptized for the forgiveness of sins (Acts 2:38; 22:16). If you would like to further study this question of "What must I do to be saved?", please see our minister or one of our elders.

“We wish to thank everyone for the many expressions of care that we received during Joe’s recent illness. Your cards, calls, texts, and especially your prayers, were a source of strength and encouragement to our family.

LADIES BIBLE STUDY GROUP

Ladies, this note is from **Deanna Graves**, teacher of the weekly ladies Bible class: “If you have a book from our ladies class, you can use it as a guide for daily Bible study at home. Each chapter has 4 daily lessons that provide a 20-30 minute study and application time.”

CARE CENTER REQUEST

Dear Family,

“**Raising the Spirit**” is an encouragement campaign to help support the staff. We would like all of you to keep the Care Center in your hearts and prayers and we would like to be able to relay this to our employees. We are asking for you to write a letter of encouragement and/or a prayer for our staff and email it to CaregiverSpiritRaising@yahoo.com. We will print and hang them in common areas for all to see. We will be sure to exclude any email addresses before posting.

“**COVID-19 Volunteer**” is for someone to help do some running around for us outside of our campus. Because of the Pandemic, some of our employees at the Care Center are unable to come to work which has left us a little short on management staff. We have been holding down the fort pretty well, but wanted to reach out now because we may have opportunities for volunteers in the future. We are trying to obtain supplies whenever available. We are also trying to provide some meals for our care givers. Today one of our employees had to leave for a few hours to pick up gowns. If volunteers are able to do some of this running around for us, it will help us to stay on task at the facility. We will mainly be asking for members who are able (and feel safe) to pick up supplies or large food orders and deliver to the Nursing Home. We would not be able to let any of our volunteers enter the building to ensure everyone’s safety. Someone with a mask will meet them outside to pick up the supplies or food. If anyone is interested in being on future correspondence for this, please email us at CareGiverSpiritRaising@yahoo.com and I will add you to an email group. We will email the group when a need arises. We will explain in the email what will be required (ie. large vehicle or heavy lifting) and ask that you “reply all” if you are able to help with that particular task.

Love you and miss you,

Andie Webb

Finance Director at the Church of Christ Care Center
