11TH GRADER WINS STATE-WIDE RADIO QUIZ COMPETITION

On July 21, one of our students from Obong Christian High School, Emem Mojima Etokudo, a daughter of one of our Ministerial Assistants, Mojima, made the institution proud by being at the top list of winners of a State-wide Quiz Competition organized by Akwa Ibom State Radio Broadcasting Service in Uyo, the State Capital. Competitors were selected mainly from the 12th grade. However, Emem who represented our school came from the 11th grade. It is amazing that she beat many competitors from a higher grade to win one of the leading prizes. The Commissioner of Education was physically present to give out the final awards. She received a portable radio.

FORMER MILITANT ACCEPTS CHRIST IN BAPTISM

On Sunday October 18, a former cultist came out during the invitation at the new church at Ikot Oding in Ukanafun Local Government Area to confess Christ as his savior. He had surrendered his talisman during the confession and was taken to the nearby stream to be baptized. A fierce battle is going on in Satan's kingdom as we continue to preach Christ to the people.

proper time we will reap
a harvest if we do not
give up. Galatians 6:9*

A NEED FOR SOLAR STREET LIGHT

Africa is usually known as a dark continent. It gets pitch dark at night especially when there is no moonlight. Snakes can move freely and wait for unsuspecting victims. Our campuses get so dark at night that it is difficult to go out without a flashlight or a kerosine lamp. To solve this problem of street lighting on our campuses we have discovered solar panel lighting mounted on improvised aluminum poles. The model in our markets has 125 watts. **The cost is \$150.** We are looking for donation light posts and panels to bring light at night to our campuses. Names of donors will be inscribed on the poles. **Your help is needed to light on our campuses.**

The Association's Chapter President, Mr. Victor Obot on behalf of the group thanked the Authorities of the School for receiving them and for providing adequate facilities in readiness for re-opening.
